Email Address:

1. RESEARCH INTERESTS

- a. What are your major interests in computational research and/or education?
(Please use additional pages if necessary.)

- b. Primary field of research:

2. RESEARCH PROGRAM ALIGNMENT

In which Program do you plan to be aligned? (You may check more than one.)

<i>Research Program</i>	<i>Program Director</i>
Computational Biology and Bioinformatics	TBD
Computational Chemistry	TBD
Data Mining	Mitsunori Ogiwara, PhD
Physical Sciences and Engineering	Benjamin Kirtman, PhD
Social Systems Informatics	C. Hendricks Brown, PhD
Visualization	TBD

3. SHARED RESOURCE

<i>Resource</i>	<i>Resource Manager</i>
High Performance Computing	Joel Zysman
Software Engineering	Christopher Mader
iBIS (online Bioinformatics Integrated Services Portal)	Sawsan Khuri, PhD

Please attach your current CV (NIH or NSF biosketch will suffice) and submit your application via email to CCSMembership@med.miami.edu

Upon review of your application, you will receive a letter with information on your membership. To keep our files current, the CCS staff will be requesting annual updates of your grants, contracts, and publications. Thank you for your cooperation.
